

LAKE SUPERIOR CORRIDOR

Duluth/Superior - Ironwood, Michigan

This 100-mile corridor is part of an important passenger and freight corridor between Michigan and points to the east into Canada, Duluth-Superior, northern Minnesota and much of western Canada. It contains the major rail/water intermodal connections at the Twin Ports of Duluth-Superior. The corridor also provides access to the Apostle Islands National Lakeshore and other tourism/recreational areas in the southern Lake Superior region.
